Gollamudi S Kishore, PhD

Examiner

6.3

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated the allowability of the pending claims if the limitations of the thickness of the spacing layer and the taste masking layer (claims 8 and 12) are introduced in the independent claims. Since claims 4 and 21 are inconsistent with the rapid release nature of the drug as recited in the independent claims, said claims are to be canceled. The amendment will be faxed..
